WELCOME

Welcome to La Palmilla Resort & Gardens! This boutique resort was founded in 2022 and opened its doors in the summer of 2023. We are excited you chose to visit our family-owned resort. The partners of La Palmilla hope you will feel comfortable and at home throughout your stay.

Onsite, we have Casa Del Rey — a chapel perfect for weddings and events. We encourage you to check out the beautiful hand-crafted stained glass throughout the chapel that represents Jesus' throne room as described in Revelation 4. One of our partners or staff members would be happy to give you a tour of this space upon request. Our property also features Cantina Palmilla — a full-service event space complete with a bar and restaurant-style kitchen. We hope you will also enjoy and explore our gardens, which are overseen by our staff master gardener.
